D. E. O'KEEFE.....EDITOR AND PROPRIETOR

REPUBLICAN TICKET.

FOR PRESIDENT
THEODORE ROOSEVELT
of New York.

FOR VICE-PRESIDENT
C. W. FAIRBANKS
of Indiana.

For Congress—Fifth District:
E. A. HAYES.
For Joint Senator:
S. H. RAMBO.
For Assemblyman:
R. H. JURY.

For Supervisors—
First District—Julius Eikerenkotter.
Third District—John MacBain.
Fourth District—Antone Joseph.

Vote a straight Republican ticket from Roosevelt to MacBain.

We've got 'em goin'. Keep 'em runnin' and don't let up till after 'lection.

Hayes will assist the administration in its policies. Vote for him.

Antone Joseph of the Fourth Township is cock of the walk. His election is assured.

The paramount issue in the First Township is to elect Julius Eikerenkotter Supervisor.

It is conceded that Julius Eikerenkotter will carry all the three precincts of his county.

Vote the straight Republican ticket from top to bottom. All the nominees are tried and true.

If the Democrats keep on abusing Roosevelt his plurality will blanket the whole country.

Vote for E. A. Hayes for Congress. He can, if elected, do more than any other man for the District.

Mr. Roosevelt has not yet found it necessary to put in his Sundays consulting with party bosses about campaign politics.

Don't forget to look after your Legislative ticket. The United States Senate is in danger. Vote for Rambo and Jury.

A vote for S. H. Rambo is a vote for a United States Senator in 1905 and 1907. Republicans don't forget this.

John MacBain has been a success at building good houses, he will also be a success at building good roads. Vote for him.

No better, abler, more capable or more progressive, man than Julius Eikerenkotter can be found for Supervisor. His majority will be large.

An enterprising gentleman took a straw vote on an interurban car at San Jose recently and the result was 17 for Hayes and 4 for Wynn. The same gentleman tried his luck on a San Francisco and San Mateo electric car, and of 22 votes cast, 16 were for Hayes and 6 for Wynn.

ANTONE JOSEPH.

Next Tuesday the voters of the Fourth Township will roll up a handsome majority for Antone Joseph for Supervisor. He has made a manly and clean canvass of his district. It is conceded that he will carry every precinct in his township. By all the unbiased and unprejudiced voters his election is assured. His dignified appearance has impressed the voters. He will have the sole support of his party in the township. Mr. Joseph will make a good Supervisor — courteous, painstaking and affable; he will be popular with the other members of the Board and have the commendation of his constituents. He will give the taxpayer a good clean and economical administration and all may rejoice in his election.

R. H. JURY.

There is no doubt of R. H. Jury's election. Everywhere he has been received with enthusiasm. He will carry with him to Sacramento the admirable business methods and watchful care he has bestowed upon his own public and private callings. Many reasons could be advanced why every Republican should vote for the nominee for the Assembly; but the chief reason is that a United Senator is to be elected next January and the successful candidate next Tuesday will have the privilege of voting for one. Who shall it be — a Republican or a Democrat? Every Republican desires the success of his party, and so must, if consistent, vote for R. H. Jury.

JULIUS EIKERENKOTTER.

Julius Eikerenkotter is gaining strength every day in his candidacy for Supervisor of the First Township and a handsome majority is predicted for him next Tuesday. Mr. Eikerenkotter deserves well at the hands of the electors. He is a respected and popular citizen of his township, a man widely known, public-spirited, with a thorough business capacity, having a full knowledge of his district's needs and with strong moral courage of his convictions. It is acknowledged on all sides that he has made the best supervisor the First township has ever had. Has made more permanent improvements than any of his predecessors and the voters are going to retain him in office. His opponents now concede his election and his friends are figuring out how much his majority will be.

JOHN MacBAIN.

John MacBain has about completed an energetic and winning canvass for supervisor and his election is certain next Tuesday. He will be given the solid support of his party in the township. His majority will be a large one. The candid and suave personality of Mr. MacBain, his ready willingness to do his level best for any project bearing on the welfare of the county and his resourceful capacity to successfully assist the working men and taxpayers entitle him to the grateful recognition of every voter. The Third township may be depended upon to do its full duty towards him on next Tuesday. Mr. MacBain will make a splendid supervisor and one the district may well feel proud of.

S. H. RAMBO.

Every Republican in the county should give their loyal support to S. H. Rambo for Senator. He has a clean record, ever has been loyal to the Republican party and if elected will vote for a Republican United States Senator next January at Sacramento. This should be carfully considered, for perhaps the defeat of Mr. Rambo might mean the election of a Democrat to the United States Senate. The Republican party at this time cannot afford to take any chances. See to it that you vote for Rambo for Senator.

John MacBain, the nominee for Supervisor of the Third Township, will make a model public servant. Owing to his good knowledge of road building he will render invaluable service to the County Board of Supervisors.

R. H. Jury, the Republican nominee for Assemblyman, will be elected by a majority of over 600. He has made a good canvass of the voters and everywhere was met with enthusiasm.

The performance of the Great Western Vaudeville Company last Tuesday was one of the best yet given here. WILL SURELY WIN OUT.

John MacBain for Supervisor is a Foregone Conclusion.

JOHN MACBAIN, the Republican nominee for Supervisor of the Third Township, has just completed a successful canvass. Everywhere he went he received nothing short of an ovation from voters, who are going to elect him by a rousing majority next Tuesday. He is a citizen of high character and standing and will make an excellent Supervisor. The office of Supervisor is an important one and requires as incumbent not only a man of unquestionable integrity, but one with an extensive knowledge of business affairs, and above all, one of common sense. These qualities are all possessed by John MacBain. He is liked and respected from one end of the district to the other for his kindly nature, his stainless integrity, and executive ability and is an ideal man for Supervisor. Trained in the school of hard-fisted industry and versed in the duties of official life, Mr. MacBain can avoid mistakes. The Third Township has confidence in Mr. MacBain—a confidence begotten of long business associations; and in marking their ballots for him next Tuesday the voters will not only perform a duty worthy of themselves, but worthy of a man who is so worthily qualified for the office of Supervisor of a wealthy and important district.

New Hardware Business.

On the 15th of this month Asa E. and Guy P. Hull will open a thoroughly equipped hardware store in the Wahl building store, recently vacated by the Palo Alto Hardware Company. There were several parties endeavoring to secure this location for a hardware business, but Hull Bros. succeeded in securing the premises and will commence to put in their stock as soon as Guy Hull returns from Lordsburg, where he has gone to put his office in shape before resigning from the railroad company. Both Asa and Guy Hull are too well known to need commendation from any source. They both grew to manhood here and their large circle of friends will insure them a good business from the start. Asa Hull will continue as manager of the San Carlos dairy, so the work of the store will devolve upon Guy. An experienced hardware man will be secured who will put the business in good running order.

Vote for R. H. Jury for Assemblyman and send an honest, capable young man to Sacramento.

Well Didn't End Well.

F. W. Bean of San Francisco sued Mrs. Nellie P. Moulton in the justice's court for $112, interest and costs. The suit was for a balance due on a contract for boring a well on the Moulton place at Fair Oaks. The contract was for a 200-foot 7-inch well, the price to be $400. The contractor also stipulated that if any hard substance was encountered, through which Bean could not bore fast enough to make wages, an additional sum of $10 a day would be paid him for such time. At a depth of 185 feet gravel was encountered, through which Bean found it impossible to make more than a foot a day and for the 15 days which he spent in going the last 15 feet he demanded $150. This full sum was not paid so Bean sued for the balance. On Thursday Judge Hannon, after hearing the evidence, gave judgment for the defendant. Mr. Bean will appeal the case to the Superior Court.

San Mateo Firemen Will Dance.

On Thanksgiving Eve, November 23, the San Mateo Fire Department will give a grand ball in Athletic Club hall, San Mateo. Hook and Ladder Company No. 1, which will have charge of the affair, are working hard to make it a grand success. The best music will be secured. Those who remember the fire boys' dances of old will know they always have had a good time. The ball will open at 8:30 p. m. with a grand march led by Chief J. H. Flynn. The following energetic committee have the affair in charge: B. P. Sharon, Jos. Paraci, E. Shafer, Harry Gittings Jr., and A. W. Bettencourt.

Vote for John MacBain for Supervisor and place an honest, affable and level-headed man in office.

Bay Shore Cut-Off.

The San Francisco Supervisors Monday adopted a resolution granting to the Southern Pacific Company and also to Contractor Henry W. Whitley permission to explode blasts and lay temporary spur tracks along the line of the proposed bay shore route, these privileges being necessary to the actual beginning of work on the new line.

A MENLO PARK WEDDING.

Captain John Morey Will Share His Fortunes with Miss Nonie Maloney.

The Festivities Lasted Until Dawn and Will Ever Be Remembered by Their Friends.

One of the happiest, prettiest weddings that ever took place in Menlo Park was that of John Morey and Miss Nonie Maloney, and a more winsome bride never went out from her girlhood home bearing the blessings of those who loved.

Sunday evening at 8 o'clock was the time set for the wedding but long before that hour the Church of the Nativity was packed to the door which attested the popularity of the young couple and expressed the deep interest that is shared by all who know them. Inside the edifice the decorations were profuse and effective. Large and beautiful palms, ferns and smilax were tastefully arranged in side the chansel rails while the altar was a perfect bank of white chrysanthemums festooned with smilax. Hundreds of electric lights about the altar shone in brilliancy adding their charm to the beautiful scene. At 8 o'clock there was not standing room in the church when the sweet strains of Mendlessohn's march played by Miss Fannie Hausmann were heard announcing that the bridal couple had arrived. The bride leaning on the arm of Harry B. Morey Jr. proceeded down to the altar followed by the groom and the bridesmaid, Miss Mae Britt. At the altar they were met by Rev. Father Bailey and Rev. Father Lyons. The former in an impressive manner performed the ceremony, taking occasion to give the young couple some sound advice and pointing out to them the many trials and tribulations that would perhaps be encountered in life's journey. He counseled them to be always true to one another, sharing one another's joys and sorrow.

The bride's gown was of white etamine over white silk and she wore a large picture hat to match. She carried a shower bouquet of bride roses. Miss Britt, the bridesmaid, wore a pongee gown handsomely trimmed with yellow lace. She carried a shower bouquet of bridesmaid roses.

Mrs. Harry B. Morey, mother of the groom, was becomingly gowned in a beautiful silk dress of white creation and wore a handsome hat to match.

After the ceremony and adjournment was taken to Oak Lawn the home of Mr. and Mrs. Morey.

The grounds were illuminated by large arc lights and hundreds of Japanese lanterns that peered through the trees lending a pleasing effect. The scene was enchanting, inspiring and one that will long be remembered. A large tent had been pitched and a platform built. Inside the tent the decorations were profuse. Beautiful vines of smilax entwined with roses and dahlias suspended from the tables, while potted palms, ferns and chrysanthemums were appropriately arranged. Four long tables laden with all the delicacies of the season were arranged to the rear of the tent and here the wedding breakfast was served under the supervision of George West who is a natural born caterer. He covered himself with glory on this occasion by serving one of the best banquets ever given in the county. Fully 500 persons were at the breakfast and while the glasses were clinking the Redwood City band of ten pieces rendered sweet music. Rev. Father Bailey delivered a happy address, congratulating the young couple and wishing them a happy wedded life. Rev. Father Lyons in a vein of good humor also made appropriate remarks, lauding Mr. Morey for the good work he had done as Captain of the League of the Cross Cadets. Happy speeches were made by Colonel Powers and Harry B. Morey, Sr. Dancing was declared in order and fully 100 couples took the floor and were soon lost in the mazy waltz. Bright the myriads of electric lights shone on the fair young women who were dreams of loveliness and all went merrily on, tripping the light fantastic. The tables were always loaded and the merry-makers alternated in eating and dancing.

During the evening a reception was held at the residence. The spacious parlors were nicely decorated. The ceiling and walls were tastefully festooned with smilax with red dahlias here and there interspersed. The decorations of the parlor and reception rooms was done under the supervision of Joseph B. Lynch.

Here the beautiful bride and groom received the congratulations of their friends.

The dancing in the tent was interlarded by humorous recitations by Prof. Hanson of San Francisco, and vocal music by Miss May Driver, James T. Lynch, W. T. Casey, Miss Jones.

At 4 o'clock the bride disappeared and exchanged her wedding robes for a pretty going-away gown, and presently the happy young couple drove to the 5 o'clock train followed by the guests and as the train pulled in at Menlo Park the pair were stormed with rice. They went to San Francisco but next day departed for Los Angeles and San Diego.

The wedding was one of the happiest and most enjoyable events that has ever occurred in Menlo Park and will be remembered for a long time to come by the hundreds of guests who attended.

The bride is the youngest daughter of Mr. and Mrs. P. J. Maloney and is a very estimable young lady and has spent all her life in Menlo. She is beloved by a large circle of friends. The fortunate groom is the eldest son of Mr. and Mrs. Harry B. Morey and is in business with his father. He is an exemplary young man and has always taken a lively interest in the League of the Cross Cadets and is Captain of Company T, Menlo Park. The young couple received numerous useful and handsome wedding gifts. The members of Company's T gift was a solid silver tea service costing $50. The wide circle of friends of Mr. and Mrs. Morey all unite in heartiest wishes for their welfare and lifelong happiness.

BADEN IS IMPREGNABLE.

Democratic Besiegers Retire with a Loss of 63 Votes.

The supporters of the Democratic nominee for Supervisor in the First Township are evidently in desperate straits and will resort to any trick to gain voters for their nominee. These men will stop at nothing not even at besmirching the character of honest, conscientious officials. The boast was made that there were 196 illegal voters registered at Baden precinct and a suit was commenced by the Democratic County Committee, through Committeeman John Sutton of Colma, to purge the list of voters of that precinct of 63 voters alleged to have been illegally registered. It was claimed that a number were under age, others not able to read and write and that a large number of the names were fictitious and these persons did not exist.

Wednesday Deputy Sheriff Butts armed with a load of summons went to Baden to locate the alleged questionable voters, and in a short time found the greatest number of them. Many of those alleged to be under age were found to be gray-haired men and a few had served in the Civil War. Others were discovered to be well-known business men.

The case came up for hearing before Judge Buck yesterday. Attorney Kincaid who appeared for the County Committee at once asked that the action as to 57 of the alleged illegal registrations be dismissed as it was apparent that the men were regularly registered.

Four of the remaining six voters were in court ready to testify. Geo. C. Ross appeared for County Clerk H. W. Schaberg and urged that the proceedings be dismissed as there was no cause of action. Mr. Ross in severe terms denounced the whole proceedings and suggested that the next Grand Jury should take up the matter.

Judge Buck dismissed the suit, saying that if any one had any grievances, electors could exercise their right to challenge at the polls on election day.

Thus fell flat an attempt to disqualify 63 legal voters of Baden. The suit was brought to enjoin the County Clerk from deilvering the register containing the 63 names to the precinct, but the trick did not work. Mr. Schaberg is one of the most conscientious and honest officials the county has ever had and he would not permit any wholesale stuffing of the register as Mr. Sutton would have every one believe.

C. L. Kauffman, the deputy who did nearly all the registering is one of the most popular and respectable men at Baden. The suit was ill-advised and is sure to prove a boomerang.

The voters of the Fourth township are expected to do their duty and roll up a big majority for A. F. Joseph, a native son, for Supervisor.

"An American Citizen."

That clever play of comedy and romance "An American Citizen," will succeed that magnificent production of Hamlet at the Majestic theatre, in San Francisco next Monday evening. Hamlet has served to display the artistic versatility of the various members of Mr. Morosco's great stock organization and fully substantiate the boast of the management of the theatre that it possessed the finest stock company on the continent. The policy of the house in carrying two such notable leading men as Howard Gould and J. H. Gilmour finds its justification in the production of such attractions as Hamlet and also in the play that is to follow as the offering for next week. "An American Citizen" is the play which has become familiar in name to the play-going public through it being the medium in which Nat Goodwin and Maxine Elliott scored not a little of their theatrical success. It is a blend of clever comedy and romance. The plot is based on modern conditions and presents a fascinating story that is certain to appeal to the class of patrons to which the Majestic theatre caters.

Vote for S. H. Rambo for Joint Senator. He can do more good for his district than any other man.

Cadets Will Entertain.

Company R, League of the Cross Cadets of San Mateo, cordially invites their Redwood City friends to attend their second annual grand entertainment and ball to be given in Athletic Club hall on Friday evening, November 11th. The affair promises to be one of the most creditable events of the season, as both the members of the committee and the company are working very hard for its success. The committee in charge have gone to all possible means for securing excellent talent and the famous Brohaska's orchestra of San Jose will furnish music for the evening. The committee of arrangements is as follows: Lieutenant T. J. Turner, chairman; First Sergeant M. M. Bettencourt; Sergeant Jas. Gittings; Sergeant Joseph Paradi; Private H. Henrioulle.

His Foot Cut Off.

At San Mateo Wednesday evening an unknown man, while beating his way south on the overland train, fell from the car and the wheels passed over his foot, crushing it so badly that amputation became necessary. The unfortunate man was taken to the baggage room at the station, where the local railroad physician, Dr. Siebert, gave him temporary relief and sent him to a San Francisco hospital.

Account of Guardian Filed.

James Crowe, guardian of the person and estate of Robert McNally, a minor, has filed his final account in the Superior Court. It shows that since the settlement of the first account last May, that the sum of $2068.91 has come in his possession. The total disbursements have been $850.35, leaving a balance on hand of $1218.56.

ALL AROUND THE COUNTY

Events of the Week as Recorded by a Corps of Special Correspondents.

Kind Words for Candidates—The Rock Crusher Will Crush. Newspaper at Pescadero.

HALFMOON BAY, NOV. 4—To the voters and taxpayers of the Fourth township: The time is now drawing near when every voter in the district *should* exercise his discretion in casting his vote. Mr. A. Joseph, the candidate for supervisor, was reared and educated in this town. His record is above reproach and it is such men that should represent our district. There is not an individual in this township from the aged one to the small children in the receiving class of the public school that has not a good word for Mr. Joseph for his generosity, kindness and tenderness to his fellow-being. It is true he is not overburdened with riches and cannot secure his office with the yellow metal, but voters see that you cast your vote no matter what your politics might be) for A. Joseph, a *man* and candidate worthy of your consideration. If he is elected, there will be no excuse, no regret on the part of the voters of this district, as the interest of this township and the interest of the public in general will be duly considered by him whenever the occasion offers itself. I have lived with and studied Mr. A. Joseph for the last fifteen years and found him to be a faithful servant to mankind and one who fully understands the great responsibility that will be heaped upon him when elected on the 8th of November. Voters, stop for a minute and consider the dissensions that have been going on in this little town for years gone by and the source of all these troubles. It might now be clear in your minds the troubles and dissensions that occurred on the grounds of our public school only a few years ago. There should not be bossism in any town, city or county in these United States. We are a free country and when we find a man scheming to become a political boss it is then due time to shove him aside and ignore his aspirations, as he is not fit to represent any class of people. On the other hand, Mr. Joseph is no political schemer—he is a man with a clear conscience and will act for the best interests of this district and county. I know and feel that voters of this district are conservative in their views and will make no mistake in casting their votes for Joseph. Set us right now—once and forever, and down bossism of this little township. In so doing you will then restore the town of Halfmoon Bay to its former quiet and peace. A TAXPAYER.

Vote them all—the Republican county ticket.

SOUTH SAN FRANCISCO.

SOUTH SAN FRANCISCO, Nov. 4—The campaign for supervisor is about completed and there is no doubt of the result. Julius Eikerenkotter will be elected by a very large majority. It is conceded he will carry every precinct in his district. He will get a big vote here and will have a fair lead in Colma and Millbrae. His majority will be over 100. His political opponents have tried every trick known to the game to accomplish his defeat but it availed them nothing. Nothing has been left undone by them to gain their ends. Nothing has been too low for them to stoop to but the taxpayers know too well what a good supervisor Mr. Eikerenkotter has made; they are aware of the many improvements that has been done on the roads during his term of office. He has been an able man on the board, always looking after the interests of his constituents. No man has ever done more for his constituents than Mr. Eikerenkotter and no one in the township can. He has influence with the other members of the board and usually gets what he wants. Having had four years' experience he can be more useful than before and will do a great deal for the First township. His election will be pronounced.

PESCADERO PEBBLES.

PESCADERO, November 4.—The Republican rally held at Union hall last Tuesday evening was quite an enthusiastic meeting. District Attorney Bullock made one of his good speeches and was followed by Hon. Wilson of Sacramento, who held the attention of the audience all through his eloquent address. The prospective assemblyman, R. H. Jury, made some pleasing remarks but did not attempt speechmaking.

Farmers ar still busy hauling their grain to the point but will soon be done.

Willie Weeks, driver for Blomquist Bros, was unfortunate enough to drive off the grade near Al Weeks', with a big load of wood. The wonder is that nothing except the wagon was injured, and that is at the bottom of the creek, on top of the wood. Willie jumped and cleared everything, or he would have been killed.

Mrs. B. Hayward has returned from Redwood, where she has been visiting for the past three weeks.

We have before us to-night a Pescadero paper, "The Golden West." It will be a semi-monthly publication and printed in the interests of this town and vicinity. It will also contain good reading and is open for good advertising matter, and is a paper worthy of support.

A subscription paper is being circulated to raise funds for repairing the Congregational church. As soon as the necessary sum is raised, the names of the donors will be published.

A vote for Julius Eikerenkotter for Supervisor of the First township is a vote to place a worthy young man on the Board of Supervisors.

WOODSIDE CHIPS.

WOODSIDE, November 4—The removal of the rock-crusher having been completed operations will again start the first of the week.

The people of this township have a splendid Supervisor in P. H. McEvoy and he should be elected on his own merit.

Wedding bells will soon ring in our burg. The names of the intended couple will be mentioned in next week's issue.

A Republican rally will be held in the hall to-night, November 5. Everybody should attend and listen to how they should stamp their ballot next Tuesday.

Mrs. William Bloomheart returned home to San Francisco after several weeks spent with her friend Mrs. N. Hansen.

William Carter has resigned as foreman for C. F. A. Talbot. His successor arrived during the week to take charge.

An addition is being built to the Catholic church at Portola. It will be used as the sacristy.

HON. E. A. HAYES, M. C.

As the lines have now formed in battle array for next Tuesday's contest, we are warranted in heading this article as we do. California has practically decided to give Roosevelt from 50,000 to 60,000 majority and to back him up with a solid delegation—two Senators and eight Representatives—all Republicans.

Mr. Hayes has made a gallant fight, winning friends and supporters everywhere. The attack of mud-slinging has left him unstained. His wealth is honestly gained and honestly used. No one charges dishonesty, bribery or corruption. Attempts to show him in league with rings or railroads have all shown him upright, independent and always a strong advocate of honest, clean, free, simple government.

Efforts to locate Chinese on his premises have absolutely failed. The attempt to make him unfriendly to the laborer have simply brought hundreds of laboring men to the defense of their friend. Even the leaders in these charges have run to cover and hurriedly withdrawn their charges. His reception in San Francisco has been one continuous ovation, while in San Mateo county and in Santa Clara county his rallies have been large and enthusiastic. Everywhere people have found him a man of force, ability, integrity, earnestness and decision, strong and forceful, and withal a clean-handed, open-hearted man.

What a position California will occupy, one worthy of her coming greatness, backing the next President with an unmistakable majority and with ten able friends and supporters in Congress. What might we then expect and ask. Yes, and receive too.

You who vote, just think what Mr. Hayes can and will do for us. Just imagine what poor solitary Mr. Wynn might attempt to do, if he should happen to fall into the next Congress.

The managers of this State campaign are fearful only of overconfidence. If all vote, the large majority for Hayes is assured. Voters, do not forget that a large majority adds force to a victory. Rally to the polls and make it large.

At Alhambra To-Morrow.

On Sunday, November 6th, Mr. Raymond Manion and his company will present for the first time in this city that beautiful drama "A True Kentuckian," a play of heart interest dealing with the life of a moonshiner in the mountains of Kentucky. The company is headed by the popular and dainty little actress Miss Monda Glendower and supported by Raymond Manion and a supurb cast. A feature with the Manion stock company is their big band and orchestra, which is one of the best carried by any traveling attraction on the road. A parade at noon and a concert in the open air will be given at 7 p. m. at the theater. This company should be well received here as they enjoy an enviable reputation among dramatic companies. Prices 25c, 35c and 50c.

Be sure and cast your vote for E. A. Hayes for Congress. Help support the administration.

Vote for This Amendment.

We wish to call the attention of voters throughout the county to the importance of Senate Constitutional Amendment No. 2, which abolishes the present Supreme Court Commission and provides for District Courts of Appeal. Our Supreme Court now has before it over 1600 undecided cases and the number is increasing to the injury and vexation of those obliged to go to law. The proposed amendment will furnish the necessary relief and permit of cases being readily decided. Those engaged in litigation and and having charge of the interest of litigants see in this amendment the only remedy for the present unsatisfactory condition of affairs, and as we go to press on the eve of election we recommend to the voters their favorale consideration of Senate Constitutional Amendment No. 2.

Town Council Meeting.

The City Council met regularly Monday night. This was the date fixed for the sale of the bonds recently voted by the people, but it was deemed wise to defer the sale until the 21st instant, and the attorney was directed to give public notice to that effect.

Trustee Foley called attention to the meager salary that was being paid the young lady in charge of the library and reading-room as compared with that paid by neighboring cities. It was explained that the Council did not fix the salary of the librarian, but the sense of the board was that her pay should be increased, and a motion was passed calling the attention of the library trustees to the matter.

Charles Imporsani and Herman Anderson each petitioned the board for permission to change the location of their saloons. Both petitions were laid over for one week.

Best Evening Paper.

The San Francisco Bulletin is now easily recognized as the best evening paper published on the Pacific Coast; and in many respects is superior to many of the morning papers. Its telegraphic news service is the best that money can procure. It has a larger circulation in San Francisco than any other city paper and advertising contracts are made on that basis. In September, 1904, it gained 1,895 inches of display advertising over its record of the corresponding month of 1903. The nearest competitor was the Examiner with a gain of 30 inches.

BLACK-DRAUGHT STOCK & POULTRY MEDICINE

This great stock medicine is a money saver for stock raisers. It is a medicine, not a cheap food or condition powder. Though put up in coarser form than Thedford's Black-Draught, renowned for the cure of the digestion troubles of persons, it has the same qualities of invigorating digestion, stirring up the torpid liver and loosening the constipated bowels for all stock and poultry. It is carefully prepared and its action is so healthful that stock grow and thrive with an occasional dose in their food. It cures hog cholera and makes hogs grow fat. It cures chicken cholera and roup and makes hens lay. It cures constipation, distemper and colds in horses, murrain in cattle, and makes a draught animal do more work for the food consumed. It gives animals and fowls of all kinds new life. Every farmer and raiser should certainly give it a trial.

It costs 25c. a can and saves ten times its price in profit.

SAN FRANCISCO SEAWALL ACT.

CHAPTER CCXL

An act to provide for the issuance and sale of State Bonds to create a fund for the construction by the Board of State Harbor Commissioners of a seawall and appurtenances in the City and County of San Francisco; to create a sinking fund for the payment of said bonds; and providing for the submission of this act to a vote of the people.

(Approved March 20, 1903.)

The people of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. For the purpose of providing a fund for the payment of the indebtedness hereby authorized to be incurred by the board of state harbor commissioners for the erection of a seawall and appurtenances in the City and County of San Francisco, at a cost not to exceed two million dollars (which said seawall and appurtenances the board of state harbor commissioners are hereby empowered to construct in the manner authorized by law, and at a cost not to exceed said two million dollars), the state treasurer shall, immediately after the issuance of the proclamation of the governor, provided for in section ten hereof, prepare two thousand suitable bonds of the state of California, in the denomination of one thousand dollars each. The whole issue of said bonds shall not exceed the sum of two million dollars, and said bonds shall bear interest at the rate of four per centum per annum, from the time of the sale thereof, and both principal and interest shall be payable in gold coin of the present standard of value, and they shall be payable at the office of the state treasurer, at the expiration of nineteen years from their date, subject, however, to redemption by lot as in this act hereinafter provided. Said bonds shall bear date, the second day of January, A. D. nineteen hundred and five, and shall be made payable on the second day of January, nineteen hundred and twenty-four A. D. The interest accruing on such of said bonds as are sold, shall be due and payable at the office of the said state treasurer on the second day of January, and on the second day of July, of each year after the sale of the same; provided, that the first payment of interest shall be made on the second day of January, A. D. nineteen hundred and six, on so many of said bonds as may have been theretofore sold. At the expiration of nineteen years from the date of said bonds, all bonds sold shall cease to bear interest, and, likewise, all bonds redeemed by lot shall cease to bear interest as in this act provided, and the said state treasurer shall call in, forthwith pay, and cancel the same, out of the moneys in the San Francisco seawall sinking fund provided for in this act, and he shall, on the first Monday of January, nineteen hundred and twenty-four, also cancel and destroy all bonds not theretofore sold. All bonds issued shall be signed by the governor, and countersigned by the controller, and shall be endorsed by the state treasurer, and each shall have the seal of the state stamped thereon. Each bond shall contain a clause that it is subject to redemption by lot after the year 1914.

Sec. 2. Interest coupons shall be attached to each of said bonds, so that such coupons may be removed without injury to or mutilation of the bond. Said coupons shall be consecutively numbered, and shall be signed by the state treasurer. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds and the issue and sale thereof to a purchaser.

Sec. 3. The sum of one thousand dollars is hereby appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the San Francisco harbor improvement fund on controller's warrants duly drawn for that purpose.

Sec. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as said treasurer shall be directed by the governor of the state, under the seal thereof, after a resolution requesting such sale shall have been adopted by the board of state harbor commissioners; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered, and he may, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. The costs of such publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose. The proceeds of the sale of such bonds shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund, to be known and designated as the "San Francisco Seawall Fund" and must be used exclusively for the construction of seawalls and appurtenances thereto on the water front of the city and county of San Francisco. Drafts and warrants upon said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Francisco harbor improvement fund.

Sec. 5. For the payment of the principal and interest of said bonds a sinking fund, to be known and designated as the "San Francisco Seawall Sinking Fund" shall be and the same is hereby created, as follows: The state treasurer shall, on the first day of each and every month after the sale of said bonds, take from the San Francisco harbor improvement fund such sum as, multiplied by the time the bonds then sold and outstanding have to run, will equal the principal of the bonds sold and outstanding at the time said treasurer shall so take said sum from said San Francisco harbor improvement fund, less the amount theretofore taken therefrom for said purpose; and he shall place the sum in the San Francisco seawall sinking fund created by this act. Said state treasurer shall, on controller's warrants duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the state of California, or of the several counties or municipalities of the state of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold. And to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the San Francisco harbor improvement fund, and pay into said seawall sinking fund, an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners are hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage, to collect a sum of money sufficient for the purposes of this act over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the state of California. Between the first and the tenth day of November, in the year nineteen hundred and fourteen, and between the first and the tenth day of November of each year thereafter until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lots such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund at that time, and shall thereupon and before the tenth day of December following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Oakland, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn and that the principal of said bonds will be paid on presentation to the treasurer on or before the second day of January, following, and that from and after such last named date all interest upon bonds thus drawn shall cease and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid to cancel the same and the interest coupons thereon, and each year beginning with the year 1914 the said treasurer shall, in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereabove stated. After the payment of all of said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Francisco harbor improvement fund. At the time of the respective drawings by lot as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.

Sec. 6. The state controller and the state treasurer shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

Sec. 7. It shall be the duty of the state treasurer to pay the interest of said bonds, when the same falls due, out of the sinking fund provided for in this act, on controller's warrants duly drawn for that purpose.

Sec. 8. This act, if adopted by the people, shall take effect on the thirty-first day of December, A. D. nineteen hundred and four, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 9. This act shall be submitted to the people of the state of California for their ratification at the next general election, to be holden in the month of November, A. D. nineteen hundred and four; and all ballots at said election shall have printed thereon, and at the end thereof, the words "For the San Francisco Seawall Act," and in a separate line under the same the words "Against the San Francisco Seawall Act," and opposite said lines there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against the said act, and those voting for said act shall do so by placing a cross opposite the words "For the San Francisco Seawall Act," and all those voting against the said act shall do so by placing a cross opposite the words "Against the San Francisco Seawall Act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 10. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at such election, as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act, then the same shall be and become void.

Sec. 11. This act may be known and cited as the "San Francisco Seawall Act."

Sec. 12. All acts and parts of acts in conflict with the provision of this act are hereby repealed.

HEMORRHOIDINE

When a Man Tells You That a Bad Case of Piles Can Only Be Cured by a

cutting operation, he may mean well but he is mistaken. In this era of advanced science it is A SHAME TO CUT ANY CASE OF PILES. Our method—the new way—of curing piles robs the old surgical way—still urged—of all its terrors and brings about results more effective because it is more radical and permanent. It obviates the tortures and distressing after-effects of surgery and is without failure, pain, danger or hindrance to daily pursuits. The treatment can only be applied by a competent physician, occupying but a few minutes' time. We have cured nearly 7000 men and women with method. Many of these cases were of 20 to 40 years standing, names of whom will be sent for quiet investigation. Also, without surgery cure Fistulas, Fissures, ulceration, etc. For particulars address THOS. T. KISNER, M. D., 81 Columbia Bldg, 916 Market street, San Francisco.
